Dear Hiring Manager,

I am writing to express my strong interest in the Graphic Design Intern position. As a current UI/UX student with a strong foundation in graphic design, I am passionate about creating clear, visually compelling designs that communicate ideas effectively and support strong brand identities across digital platforms. This opportunity aligns closely with my academic background and career goals in graphic and visual design.

Through my studies and hands-on projects, I have developed experience in visual design, layout, typography, and branding. I have designed both low-fidelity and high-fidelity interfaces using Figma, applying core graphic design principles such as hierarchy, balance, color theory, and consistency to create polished, user-focused designs. These projects strengthened my ability to translate concepts into clean, functional visuals for web and mobile applications.

I have extensive experience using Adobe Creative Cloud tools, particularly Illustrator, to create logos, icons, and visual assets. My work often involves developing cohesive visual systems that maintain brand consistency across multiple formats. I also have experience preparing assets for digital use, ensuring clarity, scalability, and attention to detail in every design.

In addition to my design background, my experience in the hospitality industry has strengthened my communication and collaboration skills. Working in fast-paced, customer-facing environments taught me to listen actively, adapt quickly, and communicate clearly—skills that translate well to working with clients, team members, and stakeholders in a professional design setting.

I am eager to continue developing my graphic design skills through this internship and to contribute creatively to your team. I am confident that my strong visual design foundation, attention to detail, and collaborative mindset would allow me to add meaningful value to your organization.

Thank you for your time and consideration. I would welcome the opportunity to further discuss how my skills and enthusiasm for graphic design can contribute to your team. I can be reached at 778-636-6888 or DonaldWong06@outlook.com.

Sincerely,
Donald Wong
